SUBJECT: Management Reform Memorandum #2 -- Moving to a Paper-free Contracting
Process by January 1, 2000

The Secretary of Defense has directed that we undertake a revolution in business practices in conjunction with the Quadrennial Defense Review. He has specifically cited the need to simplify and modernize our acquisition process in the area of contract writing, administration, finance, and auditing.

In order to determine the feasibility of sweeping changes in this area, I am requesting the Under Secretary of Defense (Acquisition and Technology) to develop, by July 1, the blueprint of a plan to move to a totally paper-free contract writing, administration, finance, and auditing process. This plan should be coordinated with all of the organizations that participate in the integrated process. The plan should incorporate the Department's ongoing initiatives for use of purchase cards, electronic catalogues, electronic commerce and imaging.

I request your full cooperation in developing this blueprint.

In approximately two weeks from the date of this memorandum, I will have my secretary arrange for a meeting with the USD(A&T) to obtain a status on how this effort is proceeding.
